PC:

By this petition passing of no confidence motion against the Vice Chairman is challenged on the ground that the require majority is not there. The question is what constitutes 2/3 of 17. 13 Voters have voted for the resolution. In the Samiti of 18 persons one of the member having expired 17 were able to sit and vote. The figure of 13 therefore fulfills the requirement of majority. Hence no interference is called for. Hence petition stands disposed of.
